**Themes for the 14th Sunday in Ordinary
Time Year B**

The 14th Sunday in Ordinary Time Year B readings show us how God works through human weakness and the importance of faith. These themes help us understand how God empowers us and calls us to trust in Him.

- **God's Empowerment of Prophets:** God empowers Ezekiel to speak to the rebellious people of Israel. This shows that God will make His presence known even if people do not listen.
- **Strength in Weakness:** Paul talks about how his weaknesses are opportunities for Christ's power to shine. This teaches us that God's strength is perfected in our weaknesses.
- **Rejection by Own People:** Jesus is rejected by the people in Nazareth because of His humble background. This shows how lack of faith can limit what God can do in our lives.
- **Faith and Healing:** Jesus is only able to heal a few sick people in Nazareth because of their unbelief. This highlights the importance of having faith in God's power to heal and help us.
- **Recognition of Prophets:** God tells Ezekiel that the people will know a prophet has been among them whether they listen or not. This emphasizes the importance of recognizing and listening to those God sends to us.

The 14th Sunday in Ordinary Time Year B reminds us to trust in God's power, even in our weaknesses. It calls us to have faith and recognize God's messengers in our lives.
